May 5, 2017

Dear Parents, Students, Faculty and Staff:

Next week we begin our ECA testing. Students in 11<sup>th</sup> and 12<sup>th</sup> grade that haven't passed the ECA's will take the Algebra 1 ECA and English 10 ECA starting on Tuesday. Please make sure students are here each day as this is an important test and we have a limited window to complete the exams.

Next week is also Teacher Appreciation Week. Please help us show teachers how much they are appreciated by sending in a note, email, or social media post. I want to thank all teachers for the job that they do for our students. We have the best teachers in the area! Please show them your appreciation too!

Congratulations to the Girls Track Team as they were crowned County Champions at the meet Wednesday night. We are very proud of their efforts and achievements.

The senior class picnic will be held on May 17<sup>th</sup> and so will our underclassmen awards. The awards ceremony will start at 1:30 PM. Graduation practice is on June 2<sup>nd</sup> and graduation is on June 3<sup>rd</sup>.

We're proud to be Rebels!

Respectfully,

D.J. Knotts

## **STUDENTS OF THE WEEK**

### Week of April 24

Ms. Stegman-Frey has chosen Parker Retter as the Junior High student of the week. Parker is a conscientious and hard-working student who has excelled in Spanish class. Parker enjoys playing basketball in his free time. He is interested in farming and would like to attend Purdue in the future. Keep doing what you're doing and best of luck to you Parker!

Mr. Deckard has nominated Bryce Moore for High School student of the week. Bryce is a member of the RS baseball team playing outfield. In his spare time he likes to ride dirt bikes. Bryce always has some interesting comments to add to class discussions. After high school Bryce plans on going to Ivy Tech for criminal justice. Keep up the good work Bryce and good luck after High School.

### Week of May 1

Ms. McGhee has chosen Luke and Braden Shore. There is never a dull moment having these two around. During Math class both gentlemen are very attentive and hard-working. They do a great job of standing up for what is right. They will be the first ones in class to stand up and remind others of the expected behavior. You can tell that it upsets them when others don't follow directions. Not only are they hard working in the classroom but they also work hard on the court and diamond! I appreciate Luke's generosity and observant eye and admire Braden's perseverance and charm. Good Luck Gentlemen! Keep working hard and best of luck to you!

Ms. Clements has nominated Mary Parrett as the High School Student of the Week. Mary is the social studies academic team captain. She is leading the social studies team into State competition on Saturday, May 6th. Mary is also involved in Student Council and is active in volleyball and softball. I want to wish her as well as the other team members good luck at State.
