OFFER VS. SERVE

Each day, your child is offered a lunch containing the following:

**Meat or Meat Alternate,
Grain,
Fruit, Vegetable and Milk.**

Out of the 5 food groups your student is offered, they must choose at least 3 food groups for their meal.

One of the food groups must be a fruit or vegetable. Some of the menu choices may count as two food groups such as pizza, nachos, cheeseburger or chef salad. If your student comes home and says they didn't get enough to eat at lunch, ask if they are taking all of their fruit or vegetable choices.
