## **ATTENDANCE PROCEDURES**

STUDENTS SHOULD BE IN SCHOOL EVERY DAY THAT THEY ARE PHYSICALLY ABLE TO ATTEND. **The Attendance Policy outlines specific details that are required. Read it carefully and ask any questions that arise!!**

### **ABSENCE PROCEDURE**

When a student misses a day of school, the student's parents must notify the office by telephone, 874-1141, and leave a message giving the reason for the student's absence. If it is impossible for the parents to telephone the school, it is permissible to substitute a signed written statement from parents explaining the absence. The student should give this statement to the office on the morning he/she returns to school. The absence will be unexcused unless contact has been made. When a student is only absent for part of the day, he/she still must have the absence verified by their parents via a telephone call or note. A half-day absence is considered to be the following: 8:00 am. – 11:30 a.m. or 11:30 a.m. – 3:00 p.m. To participate in extracurricular activities, the student must be in attendance by 12:00 of that day.

### **ABSENT FROM SCHOOL DUE TO ILLNESS:**

Parents should telephone the school prior to 8:15 a.m. on the day(s) their children will be absent due to illness. When parents cannot telephone, students that have been ill must submit a written excuse from their parents to the main office the first day back to school. If a student fails to do so, the absence will be considered unexcused.

### **ILLNESS AT SCHOOL:**

Students who become ill should report to their teacher who will send them to the office. If the nurse is not in, the student is to see a principal, counselor or office secretary. Before a student is permitted to go home due to an illness, communication with a parent by one of the people mentioned above must occur. **STUDENTS ARE NEVER TO LEAVE SCHOOL WITHOUT AUTHORIZATION FROM THE PRINCIPAL, NURSE OR OFFICE SECRETARY. STUDENTS MUST SIGN OUT BEFORE LEAVING SCHOOL.**

### **MEDICAL APPOINTMENTS:**

When leaving school during the day for a medical (doctor, dentist, optometrist, etc.) appointment, all students (regardless of age) must bring a written excuse from their parents or their parents must contact the office and state the time they will be leaving school and the reason. Students must be signed-out prior to leaving the building.

**Student(s) must then bring verification from the place of the appointment to the school upon their return for the absence to be excused. Try to make appointments when school is not in session!**

### **ABSENCES FROM SCHOOL OTHER THAN ILLNESS:**

Other absences must be pre-arranged and excused by the principal in accordance with the adopted school policy. Any non-medical absences must be pre-arranged. See **Attendance Policy** for more details.

### **LATE TO SCHOOL:**

You will need a pass to enter your first class of the day. Get the pass from the main office.

## **LEAVING SCHOOL:**

Students leaving the building during the school day must sign out in the office. Students will not be allowed to leave school during the school day without written permission from their parent/guardian, Principal or designee. In addition, students who leave school grounds at any time during the school day must have the permission of the principal, or the principal's designee. Failure to do this will result in the student being considered truant. Students returning to school must sign in at the office. Written verification from a doctor, dentist or other professional needs must be presented upon entering school.

## **EXTRA-CURRICULAR INVOLVEMENT:**

Students may not participate in or attend school events on the days they are absent from school. Any exceptions will be made by the principal. Medical appointments and other emergencies will be considered on a case-by-case basis.

## **PERFECT ATTENDANCE:**

Perfect Attendance Awards are issued to students who have not been absent or tardy, and/or leave early for an appointment.

## **ATTENDANCE POLICY**

### **A. INTRODUCTION**

Randolph Southern School Corporation insists that students be punctual and regular in school attendance. The State of Indiana and/or school policy lists the only legal excuses for absences from school to be personal illness, death in the immediate family, observance of religious holidays, service as an assistant for a political candidate during an official election and service as a page in the Indiana State Legislature.

### **B. LEGAL POLICIES & GUIDELINES GIVEN TO SCHOOLS UNDER INDIANA LAW**

#### **Indiana Law I.C. 20-33-8-10 Disciplinary powers of principals**

Sec. 10. (a) A principal may take action concerning the principal's school or a school activity within the principal's jurisdiction that is reasonably necessary to carry out or prevent interference with an educational function or school purposes.

(b) Subsection (a) allows a principal to write regulations that govern student conduct.

#### **Indiana Law I.C. 20-33-2-28 Compulsory attendance; duties of parent; sending child to public school for full term**

It is unlawful for a parent to fail, neglect, or refuse to send their child to a public school for the full term as required under this chapter unless the child is being provided instruction equivalent to that given in the public schools.

#### **Indiana Law I.C. 20-33-2-25 Habitual absence from school; report to juvenile court or department of child services**

The superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school in violation of this chapter to an intake officer of the juvenile court or the department of child services.

#### **Indiana Law I.C. 20-33-2-44 Penalty**

A person who knowingly violates this chapter commits a Class b misdemeanor.

### **C. PHILOSOPHY**

The Randolph Southern School Corporation feels very strongly that student performance and achievement is directly proportional to school attendance and punctuality. We also feel that the responsibility for attending school is that of the student and their parents. This policy has been adopted to encourage student school attendance and punctuality, while taking into consideration unavoidable illnesses and emergencies.

A student may have a maximum of twelve (12) absences per year. If the student has a doctor's note, those days will not be counted against the twelve absences. The thirteenth and fourteenth absence (and any thereafter) will be unexcused unless there is a doctor's note and will result in the student being assigned to Friday detention. Letters, informing parents of absences, will be sent home after the sixth and tenth absences. Any extended illness may qualify the student for alternative instruction.

Truancy and tardiness will require a parental conference with a school administrator and/or result in disciplinary action up to and including suspension from school. Habitual truancy can result in legal action at any grade level.

### **D. EXCUSED ABSENCES**

1. Personal illness.
2. Illness in the family
3. Quarantine of the home
4. Death of a relative.
5. Required court appearances or probation appointments
6. Observance of religious holiday
7. Other absences approved by the principal

### **E. UNEXCUSED ABSENCES**

Unexcused absences are those that are not excused absences.

Examples of unexcused absences are:

1. Absences for reasons such as personal shopping trips, hair appointments, working, etc.
2. Missing the school bus, car not starting, oversleeping, etc. and not being able to attend school.
3. Truancy. This is when a student misses school and does not have the approval of the parent or the school.

### **F. IN-SCHOOL DETENTION**

Students are sometimes disciplined by being placed in In-School Detention for a partial or full day. When a student is assigned to in-school detention, he/she is counted present at school. Work for each class will be completed in the Extended Learning Center at school.

### **G. MAKE-UP WORK FOR ABSENCES**

Work missed due to absences may be made up. The student or parent is responsible for contacting the teacher. Students have one day to make up work for each day they are absent. Parents may request homework on the morning of the absence. The homework may be picked up after 3:00 PM until 3:30 PM.

### **H. OUT-OF-SCHOOL SUSPENSION**

Students serving out-of-school suspension are permitted to make-up work missed during the term of the suspension. Out of school suspension will count as an unexcused absence.

### **I. TARDY TO SCHOOL AND CLASS**

A student that is tardy, after the second bell (8:05 AM) should report to the office for a tardy slip.

**Per Year:**

- |           |  |
|-----------|--|
| <b>10</b> | <b>Tardies= Letter home to parents</b>   |
| <b>13</b> | <b>Tardies= Second letter home to parents</b>  |
| <b>15</b> | <b>Tardies= Conference with Principal and/or referral to Office of Family/Children Services &amp; the Randolph County Prosecutor's Office. Once the Prosecutor's Office has been notified, it is up to the Prosecutor's Office to determine what action will take place.</b> |

## **TRUANCY**

Students are considered truant when:

1. They are absent from school without the knowledge of the parent(s).
2. When the parent fails to telephone the school when their student is absent or fails to send a note with the student when he/she returns to school.

The principal may report a child to the juvenile court if the child continues to be truant. Parents will be contacted on each truancy, beginning with the 2<sup>nd</sup> truancy.

  - **It is “child exploitation”, a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit , matter that depicts or describes “sexual conduct” by a child under the age of 18.**

This includes any unlawful activity meeting the above criteria, which takes place during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions.

Note: Administrators may elect to use corporal punishment as an alternative to any of the above stated penalties, depending on the seriousness of the offense (s). The administering of corporal punishment will always be by an administrator in the presence of a witness. (Parents may call the school and deny the use of corporal punishment, followed up by a letter -however, they must realize the only recourse is suspension from class or school.) Here the student will be assigned a workstation and if they have no work assigned by any of their teachers, the supervisor will assign work to be completed. In-School Detention is assigned through the elementary school office.

## **SUSPENSIONS**

Students shall understand that out-of-school suspension prevents them from participating in/or attending any extra-curricular event for those days of suspension. Damage to school property, property of the school, and /or property of persons in the school will not be tolerated and will be handled with severe punishment.

Vandalism includes:

1. Defacing school property at any time.

## **BUS REGULATIONS**

1. Bus drivers are knowledgeable regarding expectations of student behavior.
2. Drivers receive in-service regarding seating plans as well as bus disciplinary procedures and techniques.
3. Drivers are supplied with school bus discipline report forms. These forms will be used for the following misconduct:
  - a. Failure to remain seated while bus is in motion.
  - b. Refusing to obey the bus driver.
  - c. Fighting with or bothering the bus driver.
  - d. Other behavior that may jeopardize the safety of students or disrupts students or driver.
4. After a bus driver has exhausted the methods of correcting behavior on the bus, he/she will then utilize the written report, which will then be turned into the building administrator and the central office.

Some methods of correcting behavior may include but not be limited to such things as:

  - a. Assigned seats.
  - b. Use of the front seat as a disciplinary measure.
  - c. Verbal warnings.
  - d. One day suspension of riding privileges with notification to school central office, and parents.
5. If a student is written up for any of the above activities, the building administrator will usually employ the following actions:

First Offense - A warning to the student, with bus driver present and a report to the parents. It is hoped that the parents will help prevent a recurrence as school bus safety is a responsibility of all and parents are responsible for the behavior of minors.

Second Offense - One-day suspension of riding privileges and a conference with driver, student, and parents. A written report will then be issued notifying the parents of the consequence of a third offense

Third Offense - Automatic suspension of riding privileges. The length of time will depend upon the seriousness of the violation and the attitude of the student and parents. This includes a conference with bus driver, student, and parents. A copy will be given to the bus driver.

NOTE: Any flagrant violation, which jeopardizes the safety of children, will be dealt with as a third offense.

At any time, the building administrator may request the involvement of the Superintendent or Transportation Director.
6. Riding the school bus is a privilege. Improper conduct on the bus will result in that privilege being denied. Bus students are to go immediately to the buses as soon as they are dismissed from school in the afternoon.

## **PARTY TREATS**

We do not allow homemade baked goods and treats to be brought in for school parties and snacks. Only pre-packaged store bought treats will be permitted for health and safety reasons for our students. We have several students that have serious health allergies to various foods, and this is always changing with new student enrollment yearly. With homemade baked goods, we can't be certain of the ingredients. With pre-packaged store bought goods, we can read the label to determine what ingredients are involved and prevent any possible problems. Thank you for your cooperation in this matter.

## RSSC LUNCH CHARGE POLICY

Randolph Southern School Corporation has a pre-pay computerized lunch payment system that allows parents and students to prepay for meals. Parents should send in money to cover all meals & extras that your child will be purchasing. Lunch money is accepted anytime during the week. Meal charges are discouraged, however an occasional emergency may make it necessary to charge a lunch. A student may charge only 5 lunches, which is a total of \$10.75. Emails and letters are sent home when children get close to or exceed the charging limit. When the student reaches the charging limit, if the parent does not communicate with me as to when charges will be paid, they will be served an alternate meal consisting of a peanut butter sandwich and juice. Alternate meals will only be provided for 2 days, after that the parents must provide lunch including drinks for their children until the charges are paid in full. The building principal may notify the Randolph County Child Protection Services in the event that any child is not being provided a lunch by the parent. Free and reduced meal applications can be filled out at any time throughout the school year. Please contact Jenna Marquis, FSD at 874-2541 with any questions you may have.
