

Creating PowerSchool Parent Account

The PowerSchool Parent Portal allows parents and students to access real-time information including attendance, grades and detailed assignment descriptions, school bulletins, and messages from teachers. To access these features, you will need to create a Parent Account.

Here are the steps to create a Parent Account:

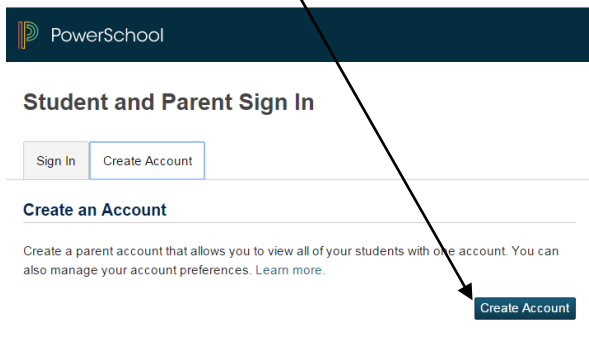

1. Create an account by visiting the following link: rssc.powerschool.com

Click on “Create Account”

The screenshot shows the PowerSchool login page. At the top is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". The "Create Account" button is highlighted with a black arrow. Below the buttons are input fields for "Username" and "Password". There is a link for "Forgot Username or Password?" and a "Sign In" button at the bottom right.

2. Click on “Create Account”

The screenshot shows the PowerSchool login page. At the top is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". The "Create Account" button is highlighted with a black arrow. Below the buttons is a section titled "Create an Account" with a horizontal line. Below the line is a paragraph of text: "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)" and a "Create Account" button at the bottom right.

3. Enter your name, email, and desired username and password.
Please note your password must be at least 7 characters long, contain at least one uppercase and one lowercase, at least one letter and one number, and must contain at least one special character.

The screenshot shows the 'Create Parent Account' form on the PowerSchool website. The form includes the following fields: First Name, Last Name, Email, Desired Username, Password (with a strength indicator), and Re-enter Password. Below the password fields, there are five criteria for password requirements: Password must: 7 characters long; Be at least 7 characters long; Contain at least one uppercase and one lowercase letter; Contain at least one letter and one number; and Contain at least one special character.

4. Scroll down the page and complete the “Link to Students Accounts” portion

Your child’s Access ID and Access Password can be obtained by contacting the school. Note that you only need to create one Parent Account. Multiple students can be linked. The relationship field refers to **your** relationship to the student (father, mother, grandparent, etc.).

The screenshot shows the 'Link Students to Account' form. It includes a heading 'Link Students to Account' and a sub-heading 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account'. The form contains two numbered sections (1 and 2). Each section has four fields: Student Name, Access ID, Access Password, and Relationship (a dropdown menu with '-- Choose' selected).

5. Once all Access ID's and Access Passwords have been entered, hit enter at the bottom of the page.
6. You will be brought back to the sign in page. Enter the username and password you created to sign in to your PowerSchool Parent Account.
