

How to complete registration forms (Returning Student)

To complete registration forms for a returning student, last year you should have already created a Parent Account and linked students. (See “How to Create a Parent Account” tutorial if needed.)

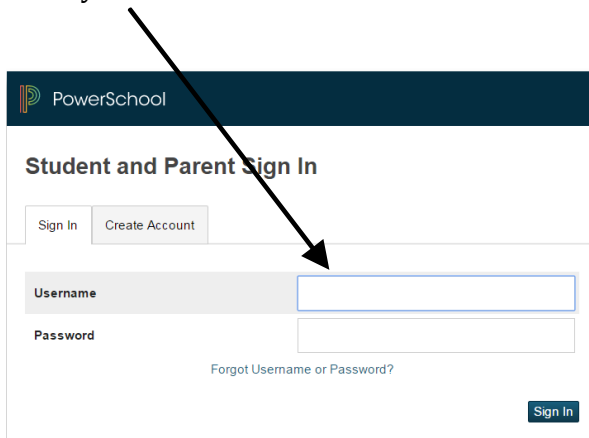

Here are the steps to complete registration forms:

1. Login to your Parent Account by visiting the following link: rssc.powerschool.com Click on Sign In”.

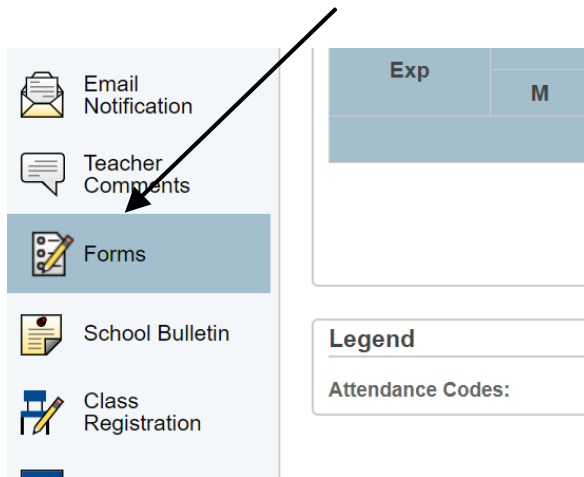

The screenshot shows the PowerSchool login page. At the top is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". Below these are two input fields: "Username" and "Password". A link "Forgot Username or Password?" is located below the password field. A "Sign In" button is at the bottom right. An arrow points from the left to the "Sign In" button.

2. Enter your Username and Password. Then Click Sign In.

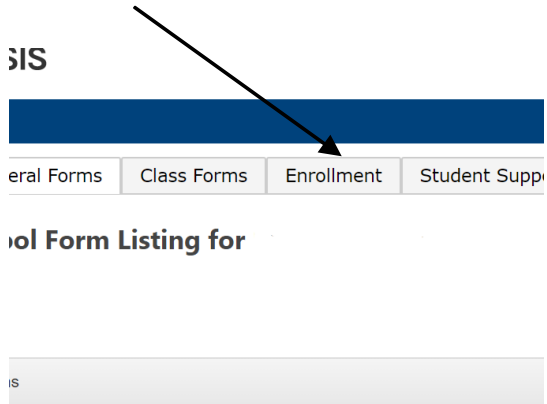

This screenshot is identical to the one above, showing the PowerSchool login page. An arrow points from the left to the "Sign In" button.

3. Click Forms in the left navigation menu.

4. Click the Enrollment tab in the menu.

5. Fill out the listed forms, clicking submit at the bottom of each.
